Jamendo PRO is the easiest and cheapest way to play background music without paying any performance rights

Jamendo PRO enables you to choose your musical style, without any ads or interruptions and with digital quality.

Registering is very easy and can be done online!

Simply go to www.jamendo.pro

Make sure you have:

- + an e-mail address,
- + your trade register number,
- + your intra-Community VAT number if you have one (it enables you not to pay VAT).

You can pay by credit card, bank transfer, cheque or Paypal.

Once your payment is made, you will receive by e-mail:

- your exemption certificate to present to performance rights organizations
- your access code to all our professional music streams
- a bill for your accounting registries.

We can also help you terminate your subscription to performance rights organizations.

With Jamendo PRO, you won't have to worry about performance rights inspections, thanks to:

- your exemption certificate
- your history of played tracks, easily available on jamendo.pro.

You will also receive "**Free culture spot**" stickers you can put in your window that indicate you play free, non copyrighted music from jamendo in your establishment.
